PROFESSIONAL TIMELINE

RSP Architects | Aug 18 - Jan 21

EXECUTIVE ARCHITECT

I got promoted to Executive Architect in April 2018 and was involved heavily in the execution of various projects. My main responsibilities included chairing CCMs, Client management, Project management, design development and providing mentorship to junior designers within my team.

RSP Architects | Aug 16 - Apr 18

ARCHITECT

I left Aedas to pursue skills in project management and project execution. During my first years in RSP, I was heavily involved in competitions and feasibility studies to assist my director in winning projects for the company.

Aedas Pte Ltd | Aug 14 - Aug 16

ASSISTANT DESIGNER

I started my first professional job in Aedas Singapore. I obtain many design skills, being heavily involved in many international projects.
